REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: No teaching can be found that specifies the use of 1,1,1,3,3-pentafluorobutane as a refrigerant by itself. The claim as written requires a refrigerant "consisting essentially of 1,1,1,3,3-pentafluorobutane". This is seen to allow the use of lubricants or dyes, but not another component of the refrigerant. Later applications (11-342,444; 11-014,333 and 11-014435 are seen to require a blend of refrigerants, including 1,1,1,3,3-pentafluorobutane. This is not seen as applicant's claimed refrigerant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William C. Doerrler whose telephone number is (571) 272-4807. The examiner can normally be reached on Monday-Friday 6:30-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cheryl Tyler can be reached on (571) 272-4834. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
